Interviewee: Roxanne Kotzebue

Interviewer: Kirsten Dael

Date: November 3, 2014

0:00 - 11:00 Dezza

Subject of Conversation	Time	Notes
"Yes means Yes" Bill	0:12	College students are required to say yes if you're going to sleep with someone
Makes everything clear for both parties	1:05	Girls might think the guys are being pushy and guys might interpret the "no" as being coy
Bill can prevent false rape reporting	2:30	Protect girls from being victims and males from being predators
More insight on our XONR8 project	3:11	Explanation on how the california innocence project works and how we helped them
How her Profession all started	4:37	-She got a degree in neuroscience and got a masters degree -She didn't really know what she wanted to do specifically
Roxannes opinion on her profession	6:15	Extremely helpful in the process of looking at cases because they work specifically on DNA
Rape cases	8:14	-10 or 20 rape cases that are processed each year with her -Supervisor separate what a liable case is and what is not
What the job means in particular	9:15	Criminalist & Wife Breeder and Tests Swabs

11:00 - 22:00 Nikki

Subject of Conversation	Time	Notes
Rape Victim and suspect	11:24	Use swabs to see how much from a male or female

		DNA.
Cuts of DNA on Swab	11:44	Takes the cuts to a DNA analyst
Where they swab	12:04	Take swabs from cervical,vaginal, external genital, anal,rectal, oral swabs and peri oral swabs.
Shower after rape	13:20	Difficult to find male DNA, but still possible
Cases that get to her	15:00	Tries not to get attached. North park case got to her even though it wasn't "rape" "its just a job"
testifying in court	17:16	Part of her job to testify in court but she hasn't testified yet. Normally DNA analysis do that.

22:00 - 33:00 Kirsten

Subject of Conversation	Time	Notes
Rape conviction; sometimes there isn't a suspect to find, how some cases seem presentable but as a lab tech she processes all cases the same.	22:00	Describes an account of a drunk girls - "Moral of story"
Child sexual abuse cases - DNA wise hard to find evidence	24:50	Had a recent child abuse case
"Sense of purpose", "I like being able to use my science degree and apply it to help people"	28:08	could possibly used as an introduction or ending? or somewhere near
Separate personal emotions and work, its more of a motivator "a big terrible scavenger hunt"	28:59	N/A
Strengths and weaknesses in job	30:05	N/A
Small and easy to fix mistakes	31:03	could possibly have someone messing up

33:00 - 44:00 Nayeli

Subject of Conversation	Time ends	Notes
Small mistakes are made and everyone's human; hasn't messed up a case too bad	33:15	N/A
How to stay upbeat, "apparent"	35:13	N/A
Relationship with detectives	36:50	N/A
Advice on how to avoid rape; makes her more cautious and wary	38:32	Online dating sites, alcohol, being alone
Advice to daughter	40:33	stranger offering a ride home, could be use towards the end?
Wedding(most common place), Places where people get raped, etc.	41:30	N/A
